Ufuk Bayam to be in charge of Turkey operations of *ETA MELCO*, global elevator and escalator leader

NEW GENERAL MANAGER FOR ETA MELCO

Ufuk Bayam has been assigned as the new General Manager of ETA MELCO, the exclusive distributor of Mitsubishi Electric elevators and escalators in Turkey as an affiliate of Mitsubishi Electric Corporation. Employed in ETA MELCO for 19 years, Ufuk Bayam was acting as the Sales and Marketing Manager of the company for the last 6 years.

ETA MELCO, an affiliate of technology leader Mitsubishi Electric Corporation that develops elevator and escalator systems for outstanding structures such as business centres, hotels and shopping malls all over the world, has entrusted its Turkish operations to Ufuk Bayam, a highly experienced professional in the industry. Employed at different positions in ETA MELCO Turkey since 1997 and acting as the Sales and Marketing Manager for the last 6 years, Ufuk Bayam has been appointed as the new General Manager of the company.

After receiving his B.Sc. degree from Mechanical Engineering Department at Yıldız Technical University, Ufuk Bayam earned his M.Sc. degree at Business Administration and Mechanical Engineering at the same university and he started his professional career at Mercedes Benz. Ufuk Bayam, who has continued his career at ETA MELCO, the exclusive distributor of Mitsubishi Electric elevators and escalators in Turkey, has had remarkable achievements during the 19 years at the company in addition to completing a number of administrative and technical training programmes in Turkey and abroad. He has recently been assigned as the General Manager. Bayam, who is fluent in English and intermediate level in German language, is married and lives in Istanbul.
